OVERVIEW

This newest mid-50 foot cruiser from Riviera invites owners to spend even more time out on the water, no matter what the weather. The Riviera 54 Enclosed Flybridge was one of four new-look boats from the Gold Coast-based luxury yacht maker launched at last week's 2019 Sanctuary Cove International Boat Show. A replacement of the 52, the Riviera 54 Enclosed Flybridge encloses the upper deck to allow owners to extend their time aboard in comfort and safety in a design renowned for its offshore capability. Riviera said the mid-50ft mark traditionally had been a popular size for Riviera, with the 54's design taking the enclosed flybridge concept "to another level". "Taking centre stage in the 54 is a presidential-style full-beam master suite with an enormous amount of space and storage, king-size bed, large hanging wardrobe and...
