Lying:

OVERVIEW

The new Riviera 575 SUV is available with either pod or shaft drives to suit specific geographic and owner requirements – one of the first yachts in the world to offer such flexibility. With a clever alfresco cockpit and mezzanine dining it creates an entirely new indoor/outdoor living experience that is ideal for staying on board longer and discovering new places. The crossover SUV series combines the high-performance, blue-water cruising and luxury liveability attributes of the classic Riviera Flybridge collection, and the single-level, leisurely entertaining features of our luxurious Sport Yacht design. With her contemporary design and impeccable blue-water heritage, the robust Riviera 575 SUV exhibits powerful and noble lines with muscular sheer forward and deep topside dimensions, giving her a freeboard akin to a much larger yacht altogether. Her hull lines run straight aft from the maximum mid-ship beam of 5.13m (16' 10") which, in turn, provides a...
