OVERVIEW

World Premiere 2017 Riviera is extremely proud of the high level of enthusiasm and excitement ahead of the 2017 World Premiere of our new, luxurious and long-range Sports Motor Yacht collection. This refreshingly distinct style of on-water luxury lifestyle has been developed by our talented in-house design and engineering team has drawn upon extensive consultation with our family of motor yacht owners around the world. What we've continually heard is that, in increasing numbers, our experienced luxury motor yacht aficionados are wanting to take their boating further afield with true long-range cruising. The 68 and 72 Sports Motor Yachts will help you fulfill these dreams, offering the exhilaration of supreme sports performance as well as fantastic interior flexibility with a wide array of luxury lifestyle features to enhance your time aboard. For example, the spacious sports-inspired cockpit has copious storage solutions and the elevated mezzanin...
