OVERVIEW

BERTRAM 28 Flybridge Cruiser MODEL: 1985 POWERED BY: 2 x turbo charged DIESEL shaft drive BMW D190 @ approx. 165 hp each. HOURS: approx. 745 only SPECIFICATIONS: LOA: 8.5m 28` DRAFT: 0.82m 2` 8" BEAM: 3.36m 11` FUEL: 600 litres WATER: 167 litres WEIGHT: approx. 4,000kgs The Bertram flybridge cruiser is very popular for good reason. They represent probably the best value for money in the price bracket. These boats are built to last and perform incredibly well as fishing platforms, or as family cruisers. With twin shafts and rudders maintenance will be minimal. For her size the Bertram 28 has a well-equipped galley, sizeable bathroom, huge V-berth and loads of space out the back and heaps of rod holders. You can see all from the comfort of the flybridge, and if the weather turns nasty you can retreat to the interior helm station an...
